Is it for me?

# Is an AP class for me?

- Choosing classes is difficult.
- Students and parents ask counselors every day for advice on which classes to choose.
- But each student is different; what classes your friends are taking may not be right for you.
- You need to ask yourself, “Am I a math/science person? Am I more of a English/reading person?”

# Is an AP class for me?

- What will your schedule look like?
- Besides AP classes, will you also be taking Spanish 3 or 4 and/or other honors courses?
- What are your outside commitments? Do you play a sport? Spend time volunteering? Are you a member of a school club or academy that takes time out of your day/week?

# Is an AP class for me?

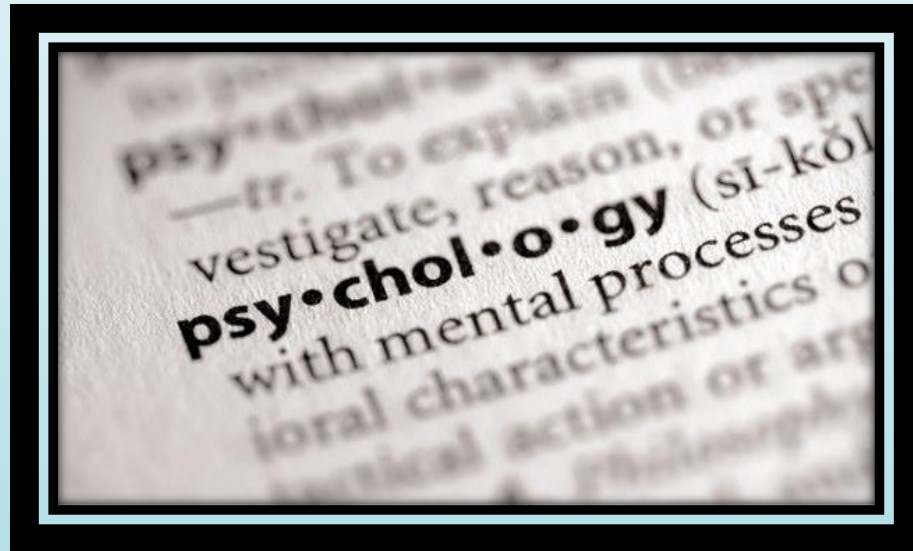

- Do you want to earn the AP cord?
- In order to earn the AP cord where you are recognized at Senior Awards Night, you will need to take and pass 5 AP classes of your choice.
