

More Important Information to Know...

Appropriate email address – make a professional looking email address for all applications.

CCGI (CaliforniaColleges.edu) – you can login to your account 3 different ways

- Login through Google
- Login with your user name and password that you used when you registered
- If you forgot your user name and password, see your counselor so they can reset for you

Early Action or Early Admission - offered by some Private Schools

- If you are accepted, you are NOT committed to attend that school; you can wait and decide by May 1

Early Decision – offered by some Private Schools

- If you are accepted, you **ARE COMMITTED** to attending that college.

EOP – Educational Opportunity Program

- EOP offers admissions assistance, academic support, financial assistance and mentoring to first generation, low income, and historically disadvantaged students.
- CSU – the EOP application is embedded in the regular application; please check the deadline for the campus you are applying to.
- UC – to be considered for EOP, you should indicate your interest when you complete the online application.

Fee Waivers – built into both the CSU & UC applications (they are not a separate application)

- You will be asked for the household size (number of people) and income; be as accurate as possible.
- CSU will give you 4 free waivers if you qualify
- UC will give you 4 free waivers if you qualify
- Private colleges – fee waivers are available at participating colleges

HELP!!

- UC Technical Help: Call (800) 207-1710 or email ucinfo@applyucsupport.net
- UC Application Corrections: If you have corrections after submitting application, e-mail docs@applyUCsupport.net
- CSU Application Help: Call (857) 304-2087 or email CalStateApply@liaisoncas.com
- CSU Application Corrections: Contact the Admissions Office of each CSU you applied to

Questions – if you are unsure about **ANYTHING** on your application... do not submit it!!!

Transcripts

- Official - copy of the transcript with the school seal on it
- Unofficial - can be printed or uploaded to an application
